AMWE PEACE RIDE

FEBRUARY 19-20TH, 2022

CA WOMEN'S TEAM- SLO TO SAN SIMEON

How we can cultivate peace, amongst ourselves, our cultural/racial histories, the sacred land we stand upon, and as a larger global family? We unite in outdoor movement events across nations to walk, ride, ideate, sweat, and share together as we step into these timely questions.

Join us as cycling teams in Kenya, Rwanda, and California unite in a moving prayer for women's global health. We join with our partnering community, *Naledi Initiative in Kenya* to celebrate women's strength and fundraise for cancer treatment in of 15 community members in Rural Tharaka in need of immediate care.
